

NEW AP-S DISTINGUISHED LECTURERS

On behalf of the Distinguished Lecturer Program Committee, I'm pleased to announce the following three new distinguished lecturers, selected for a three-year term from 2019 to 2021.

David Davidson
Oscar Quevedo-Teruel
Mei Song Tong

They were selected according to the selection criteria published in a previous announcement. I thank all those who contributed to the selection process, all nominees and nominators.

Karu Esselle
Chair, IEEE AP-S Distinguished Lecturer Program Committee
