

## Act Now Before Submissions Close!

Hello colleagues,

The [2024 IEEE Future Networks World Forum](#) (FNWF'24) seeks paper and proposal submissions for our annual flagship event, which will take place in Dubai, UAE from 15-17 October.

**Paper submissions** are being accepted across a variety of main Paper Tracks as well as a series of Symposia, with a [submission deadline of 16 June 2024](#). See the website for the [technical paper tracks](#) and the [detailed list of Symposia](#).

Proposals are being accepted for the following areas with [a submission deadline of 30 June 2024](#):

- Workshops
- Tutorials
- Industry Forums and Panels
- Topical/Vertical Sessions
- Entrepreneurship and Innovation Forum
- Demonstrations (Industry or Academic)

The FNWF'24 will build on the success of the 2023 conference in Baltimore and continue the path set in 2018 by the IEEE 5G World Forum. This event brings together experts from industry, academia, and research to exchange their visions as well as their achieved advances in the continuing evolution of network technology, including 5G, 6G, and other innovative cross-domain breakthroughs. View the [2023 event website](#) for a detailed view of last year's overall program.
