Watch now: Legends of Electromagnetics: Prof. Yahya Rahmat-Samii

Watch AP-S interview with Prof. Rahmat-Samii. In this series, major contributors to the antennas and propagation field are interviewed about their research career and their experiences within the AP-S.

A graphic announcing the IEEE AP-S Election Results. It features the IEEE AP-S logo (a circular emblem with 'AP-S' and a stylized antenna element) and the text 'IEEE AP-S Election Results'. Below the text are four portrait photographs of the elected members: Christophe Fumeaux (President Elect), Buon Kiong Lau, Eva Rajo-Iglesias, Kamal Sarabandi, and Surendra Pal (Administrative Committee Members). The background is a dark blue with a glowing blue circuit board pattern.

AP-S Election results

Join us in welcoming the President-Elect and the elected members of the AP-S Administrative Committee for 2024:

President-Elect from IEEE Regions 7 – 10
(One-Year Term, 1 January 2024 – 31 December 2024)
Prof. Christophe Fumeaux

Administrative Committee Members from IEEE Regions 1 – 8
(Three-Year Term, 1 January 2024 – 31 December 2026)
Prof. Buon Kiong (Vincent) Lau
Prof. Eva Rajo-Iglesias
Prof. Kamal Sarabandi

Administrative Committee Member from IEEE Region 10
(Three-Year Term, 1 January 2024 – 31 December 2026)
Prof. Surendra Pal

Call for 2024 Field Awards Nominations
Deadline 31 December

**Call for Nominations for the
2023 IEEE Antennas and Propagation Society Field Awards**

Nominations or self-nominations are solicited for the 2024 IEEE AP-S awards. There are six awards that the Society will give this year. A brief description of each award, its criteria, and a template of the nomination form are provided below. All nominations are subject to the terms in the AP-S and IEEE guidelines detailed in the Operating Manuals and Bylaws. Nominators are encouraged to review these guidelines before submission.

The deadline for nominations is December 31, 2023.

Distinguished Achievement Award

The Distinguished Achievement Award is given annually (if a qualified candidate is nominated) to recognize outstanding career achievement by an individual in the field of antennas and propagation. Preference is given to a member of the Society.

The criteria considered by the AP-S Awards Committee include:

- Contributions to fundamental electromagnetic theory and its advanced applications.
- Contributions to the theory of antennas.
- New methods and approaches to analysis, synthesis and design of antennas.
- New methods of analysis of propagation of electromagnetic waves, and
- Other new contributions relevant to the field of antennas and propagation.

Chen-To Tai Distinguished Educator Award

The Chen-To Tai Distinguished Educator Award is given annually (if a qualified candidate is nominated) to recognize outstanding career achievement by a distinguished educator in the field of antennas and propagation.

The criteria considered by the AP-S Awards Committee include:

- Excellence in teaching.
- Involvement with and direction of students to prepare them for effective careers in electromagnetics.
- Curriculum development with inclusion of current research and knowledge that reflects the state of the art in courses, and
- Authorship of research and course material

Nominations or self-nominations are solicited for the 2024 IEEE AP-S awards. There are six awards that the Society will give this year. A brief description of each award, its criteria, and a template of the nomination form are provided below. All nominations are subject to the terms in the AP-S and IEEE guidelines detailed in the Operating Manuals and Bylaws. Nominators are encouraged to review these guidelines before submission.

Please email the nomination form together with endorsement letters to: Prof. Gianluca Lazzi, Awards Committee Chair, lazzi@usc.edu
